Autism Spectrum Disorder, Current Evidence on Etiology

Presented by:
Diane E. Hindman, M.D., Pharm.D, B.Sc.Phm.
Medical Toxicologist
Arizona Poison and Drug Information Center
University of Arizona College of Pharmacy Tucson
Tucson, Arizona

Dr. Diane E. Hindman is a board-certified pediatrician and medical toxicologist, and registered pharmacist. She works as an attending physician and chair of the Pharmacy and Therapeutics Committee at Phoenix Children’s Hospital in Phoenix, Arizona, and consulting medical toxicologist at the Arizona Poison and Drug Information Center in Tucson, Arizona. She received her pharmacy degrees from the University of Toronto Faculty of Pharmacy in Toronto, Ontario, and University of Colorado in Denver, Colorado. After 25 years as a pharmacist with a diverse portfolio of pharmacy experiences, she pursued her medical degree at Trinity School of Medicine in St. Vincent in the Grenadine Islands, and subsequently completed her residency in pediatrics at Rainbow Babies and Children’s Hospital in Cleveland, Ohio, and medical toxicology fellowship at Emory University and the CDC in Atlanta GA. Dr. Hindman is currently completing certification in clinical translational research at the University of Arizona Mel and Enid Zuckerman College of Public Health in Tucson, Arizona. Originally from Ontario, Canada, she relocated to Arizona after completion of her medical training and enjoys the year-round sunshine and flip-flop weather there. Her professional interests are varied and include medication safety, environmental toxicology, climate change, HAZMAT and radiation injury prevention and management, pediatric mental health, adolescent addiction, antimicrobial stewardship, and medical trainee education and research.

Objectives: Upon completion of this session, participants should be able to:

• Review the defining clinical features of autism spectrum disorder (ASD).
• Summarize current etiologic evidence for ASD.
• Offer potential recommendations to reduce ASD risk.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity. Diane E. Hindman, M.D., Pharm.D, B.Sc.Phm., and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

❖ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
❖ Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
